Did you know...

Did you know that our school policy on tardy or late to school says running late, stuck in traffic, overslept, lost the keys, etc. is an unexcused tardy? Remember, being tardy to class is disruptive to the teacher and class. Please work with your child to make sure they arrive to school on time. Students with excessive tardiness may result in a parent/student conference with the principal.

Digital News

JEFFCO & BLUE HERON APP

The Blue Heron App is now part of the Jeffco App. Search for "jeffco" or "jeffco schools co" and download it to your mobile device. Then, select the school or schools you wish to receive information on.

BRING YOUR OWN DEVICE

Blue Heron is excited to offer students the opportunity to bring their own device. Before deciding to participate in this program please check with your child's classroom teacher. There are many different options of devices available, we recommend Chromebooks. They are a simple device that allows students to access their Google accounts easily and are affordable. This is an option for our students not a requirement. Blue Heron does have Chromebooks for students to use as they are available. Click here for more information or email Mrs. Hohman.
